A workhorse that is truly
an asset to your office
• Welcome to your high performance office.
• Forget the manual, go automatic
• Connect with your colleagues
• Print it your way

Find it all in the Samsung SCX-5835NX/SEE, a superb laser multifunction printer. The ultimate office assistant, it supports workgroup.

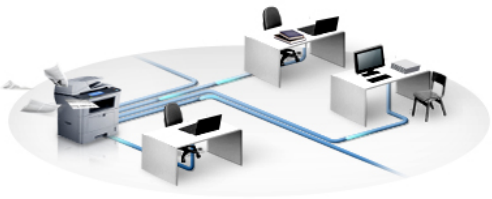
Welcome to your high performance office.

The fastest in its class With an output speed up to 33 (A4) pages per minute the SCX-5835NX tackles any printer or copy job with ease and efficiency. Less time spent waiting for your documents and more time can be focused on work.

Forget the manual, go automatic

Designed to be used right out of the box with very little documentation, the 7 inch colour touch LCD screen and intuitive menu design allows for easy access and setup. The vivid colour touch LCD enhances usability and user interaction compared to the monochromatic competition. It is as easy as following the on screen touch by touch guide for trouble free and stress free setup. Samsung Multifunction printers share a unified menu design and structure making it easy for anyone to be familiar with the entire spectrum of Samsung output devices.

Connect with your colleagues



Connect everyone in your office to one network and keep everything running smoothly. They'll share a common printer and you'll save time from servicing multiple machines. And with the Ethernet interface you can increase your performance by hooking it up to the network. Improve your communication skills with the SCX-5835NX laser printer and keep your lines of communication open.

Print it your way

Loaded with unique copy functions, the SCX-5835NX heightens both your creativity and productivity. You can divide your original into full-page portions to create a poster, save time and materials with 2-up and 4-up copying, produce many copies of an image on one page with clone copying, or print 2-sided business cards.

Massive monthly duty cycle makes it easy

Designed to be less service dependent than your typical printer, the SCX-5835NX lets you focus on your job by doing its job — delivering all your documents without fail each and every time, thanks to its unparalleled monthly duty cycle. Network-ready, it can also be shared by multiple users, which lets your staff have the flexibility to print from different desks.

Fed up with paper feeding?

Depending on your needs, the SCX-5835NX can be fitted with multiple trays with different paper types and sizes to hold up to 1050 sheets at a time. Print in bulk without the need to constantly replenish the paper supply- especially with the capability to print on both sides of a sheet at the touch of a button.

Simple scanning, no matter where it's sent

Tell the SCX-5835NX where you want your scanned document to go, and then let it do the rest. No more time spent converting scanned files for different uses – the SCX-5835NX knows exactly how to handle your documents for FTP, SMB, fax, email, or printing. Simply scan, then let this multi-functioning workhorse connect and distribute your documents.

SmarThru™ Workflow 2

Let the printer do all your communicating. Its time-saving SmarThru™ Workflow 2 feature lets you send paper and electronic documents directly to multiple destinations including email boxes, network folders, and fax machines.

SyncThru™ Web Service

Tired of having to install software just to manage your printer? Now you can change printer settings, upgrade firmware and check your printer's status easily with just a web browser and the innovative SyncThru™ Web Service.

SyncThru™ Admin 5

Who says you can't do it all? SyncThru™ Admin 5 lets you easily install, manage and monitor all your networked digital print devices on an accessible interface. You also have the ability to analyse data in greater detail with easy-to-read reports.

SmarThru™ Office

Stay organized with the SmarThru™ Office. This time-saving solution efficiently captures documents and stores them in folders. It also indexes and bounds them so they can be sent to other destinations or to applications for editing.

CounThru™ 2 Pro / Enterprise

Get printer status without leaving your seat. Receive low toner level warnings, system error notifications and even usage and customer billing summaries with Samsung's proprietary CounThruTM 2 Pro / Enterprise interface.

Huge Capacity of Hard Disk Drive

The 80GB / 160GB hard disk helps you monitor and manage jobs, reduces network congestion, and optimises print job retention for confidential and delayed printing.

Expandable Memory

The built-in memory in the SCX-5835NX means that it can handle your workload without breaking a sweat. Enjoy fast processing with the standard 256MB of built-in RAM, or upgrade to 512MB to handle even your biggest jobs

Extensible Open Architecture

Easily develop and install custom applications to meet the needs of your business. Modify the UI with personalized function controls, designs, shortcuts and choose between embedded or web-

with ease. based print solutions.
